

**Latest update: SKOPE closed Friday for National Memorial Service
4.30pm Tuesday 15th March 2011**

SKOPE's Christchurch based Head Office and production plant will be closed on Friday 18 March 2011 for a one-off provincial holiday for Canterbury. It is business as usual at all SKOPE locations outside of Christchurch.

The day is to commemorate those lives lost in the recent Canterbury earthquake and will coincide with a National Memorial Service being held in Hagley Park, Christchurch. Please note SKOPE Customer Services will also be closed and any messages will be responded to on Monday. For any urgent matters please contact your Sales Manager.

We thank you for your support.
